Key Program Dates

Your commitment to attendance at all the program dates below is important to your success within the program. **Please put these dates into your calendar ASAP. A formal invite will be sent to you on commencement.**

Further content will be delivered based on preferences of participants. This might include working with trauma, conversations around resilience and self-care, as well as overcoming the imposter syndrome. The program seeks to deliver content that is relevant to the participants.

A weaving consultant will work with participants across all the workshops to make their own creation as a cultural skill that's calming and enhances resilience.

As it is critical for all partnerships attend on these dates, if you tick NO for these dates, please apply for the next roll out of this mentoring program if you are unable to reschedule.
