

WORKUP QUEENSLAND YEAR 2 WORKFORCE SURVEY

Last year we developed a workforce data baseline which told us...

74%

OF ORGANISATIONS NOTE AN INCREASE IN SERVICE DEMAND IN THE LAST 12 MONTHS

78%

OF THE WORKFORCE HAVE A BACHELOR DEGREE OR HIGHER

44%

OF RESPONDENTS HAVE A MANAGERIAL RESPONSIBILITY

9%

OF THE WORKFORCE IDENTIFY AS ABORIGINAL AND TORRES STRAIT ISLANDER

We used the data we gathered to inform our work

Now we want to create a more robust data set that truly reflects the sector.

Completing the survey will allow us to better understand the sexual violence, women's health and domestic and family violence sector.

What brings people to the sector?
What keeps people in the sector?
What are the impacts of the work?
What skills does the sector need?

Have your say
