

Co-designed with the sexual violence, women's health and domestic violence sector.

### Connecting Across the Land

**Date: Starts 19 August**

In the Connecting Across the Land program peer mentoring relationships are developed and scaffolded to transition to ongoing and sustainable professional connections. These connections can make the world of difference for people doing important work in rural and remote communities.

### Safe to Stretch

**Date: 26 August**

Join us to explore how we can create safe, trusted and healthy work environments that support learning, encourage collaboration, and make room for experimentation and testing of new ideas. When you set this scene your team's creativity and innovation will flourish.

### Professional Practice Supervision

**Date: Starts 28 August**

Would you like to feel more confident and better equipped to sustain, develop and support staff?

This program will equip you to optimally construct professional supervision in alignment with a framework for practice to shape a positive workplace culture.

### Ideas to Action

**Date: 9 September**

In this workshop you will gain strategies for engaging people in conversations that encourage curiosity and imagination of new possibilities. You will learn steps for turning roadblocks into opportunities and build understanding of what it means to have and embrace a growth mindset.

### DFV Foundations

**Date: Starts 1 & 15 September**

In this workshop series you will gain introductory and foundational skills to sensitively and appropriately recognise and respond to domestic and family violence. If you are new to the sector or would like a refresher, this series is for you.

### Advanced Leadership

**Date: Starts 13 October**

This virtual workshop series focuses on the development of advanced leadership skills, attributes and behaviours that support the complex nature of executive leadership in the sexual violence, women's health and wellbeing and domestic and family violence sector.

### Professional Boundaries

**Date: 16 October**

This workshop will explore the practice of healthy and appropriate boundaries with both clients and colleagues. This will include considering organisational guidelines and personal self-care strategies to ensure the safety and wellbeing of workers, teams and clients

### Artistry of Facilitation - Virtually

**Date: 21 October**

This is an engaging and practical workshop to build knowledge, skills and confidence to prepare, deliver and review virtual workshop sessions. We will explore the features of Zoom, what makes an online session successful and how to create a positive learning space in an online setting.

### Conflict Intelligence

**Date: 4 November**

Leaders who join us for this Masterclass will develop skills in recognising and managing conflict confidently and competently using the Conflict Intelligence Model. The Leadership Masterclass series also includes Mindful Leadership and Difficult Conversations coming up in November.
