

WorkUP Scholarship Program – Examples of successful recipient study programs

WorkUP Queensland is committed to building the capacity of individuals working in Queensland, to respond to domestic, family, and sexual violence, and women's health and wellbeing. The [Scholarship Program](#) is available to workforce of organisations funded by the Office for Women and Violence Prevention, Department of Families, Seniors, Disability Services and Child Safety.

The list below provides examples of study programs previously awarded a WorkUP Scholarship.

PLEASE NOTE: This list are **examples only** and other course types not listed below may be considered. Scholarship eligibility criteria does apply. Please check the WorkUP website for more information.

We encourage you to:

- Connect with your current / planned VET / Tertiary Institution / Training Provider who is best placed to provide you with more information about courses
- Connect with your employer about any study plans. Scholarship eligibility includes requirement that your employer endorses your application. Your employer is best placed to talk about any other options your workplace may be able to support your studies.

Please note: This list of study programs is NOT delivered by The Healing Foundation or WorkUP Queensland.

We wish you the best for your career in the sector!
